MOJO Beach

Mojo Beach is a luxury resort wear brand, created by Mariana Jammal Bassatne with the effortless taste and style of the jet setting woman in mind.

Inspired by her travels to glamorous spots around the globe, she created the Mojo Beach collection to include statement dresses, luxurious beachwear and stylish outfits that can be worn from day to evening or from beach to town and from dinner to dancing, turning heads along the way.

Mojo Beach is all you need to pack for your vacation style.

This collection is inspired by the stars of the seventies, with long flowing backless dresses, stylish kaftans, and statement pieces projecting glamour and style.

Mojo Beach pieces have become wardrobe staples and must-haves for the vacation-ready woman of the world.
